## **West Valley City Residents Have Multiple Options for Christmas Tree Recycling**

West Valley City – West Valley City will provide two dumpsters for residents to dispose of their Christmas trees. Starting this afternoon, a dumpster will be placed at City Park (4500 W. 3500 S.) and another dumpster will be placed at West View Park (6100 W. 4100 S.). The dumpsters will be provided through Wednesday, January 5, 2010. Residents are welcome to bring trees with all lights, stands, nails, screws, bags and decorations removed, to place in the dumpsters. No artificial trees will be accepted and no other trash is allowed in the dumpsters.

Residents can also use the City's Bulky Waste removal service. More information on how to prepare waste, along with pickup dates, can be found on the West Valley City's Sanitation Division website located at [www.wvc-ut.gov/sanitation](http://www.wvc-ut.gov/sanitation).
